

Date: 22.01.2025

LETTER OF UNDERSTANDING

This Letter of intent dated 22 January 2025, between BRAASK EDUCATION PRIVATE LTD also known as Tech.Med.Buddy placed at New Delhi, and The Department of Bioinformatics, G.N.Khalsa College of Arts, Science, and Commerce.

Purpose

This is to establish a collaboration to provide industry-aligned training, educational programs, and career opportunities in the field of bioinformatics.

Terms of Collaboration

- Credit-Based Courses**
 - The Company will design and deliver tailored credit-based courses (1 to 4 credits) for the bioinformatics domain.
 - The Company will manage evaluation, assessments, and grading, with final reports submitted to the College.
- On-the-Job Training (OJT)**
 - A (1-3) month project-based training program will be offered, ensuring students gain practical, industry-relevant skills.
 - Projects will be guided by the domain experts.
- Career Counseling**
 - Expert-led sessions will guide students on higher education and career opportunities in bioinformatics, healthcare, and related fields.
- Project-Based Learning**
 - Credit-based research project will incorporate live projects for continuous evaluation, promoting critical thinking and problem-solving skills.
- Professional Networking Opportunities**
 - Students will gain access to the Company's professional network, mentorship, and collaborative project opportunities.
- Access to AI powered evaluation software called Gradehive.AI** for the continuous internal evaluation of department students for a duration of 2 months.
