**REPORT ON ORIENTATION PROGRAMME FOR FIRST YEAR STUDENTS -  
Academic Year 2026–27**

The Department of Commerce (Self-Financing Courses), Guru Nanak Khalsa College of Arts, Science and Commerce (Autonomous), organized an **Orientation Programme** for the First-Year students of Bachelor of Commerce (Accounting and Finance) (BAF), Bachelor of Commerce (Banking and Insurance) (BBI), Bachelor of Commerce (Financial Markets) (BFM), and Bachelor of Commerce (Unaided) on **Saturday, 4th July 2026** at the Annex Building, First Floor. The programme was conducted in separate sessions for each course.

| Course                 | Time                    | Number of students present |
|------------------------|-------------------------|----------------------------|
| FYBAF (Division A & B) | 10.00 a.m. – 11.00 a.m. | 28                         |
| FYBBI                  | 11.00 a.m. – 12.00 noon | 26                         |
| FYBFM                  | 11.00 a.m. – 12.00 noon | 28                         |
| FYB.Com (Unaided)      | 12.00 noon – 1.00 p.m.  | 27                         |

The primary objective of the orientation programme was to warmly welcome the newly admitted students and familiarize them with the institution, its academic environment, the National Education Policy (NEP) 2020 framework, departmental functioning, and the numerous academic as well as co-curricular opportunities available during their undergraduate journey.

The programme commenced with a warm welcome by the faculty members of the Department of Commerce (SFC). **Prof. Yogesh Kolhatkar, Vice-Principal and Head of the Department of Commerce (SFC)** addressed the students and encouraged them to make the best use of the opportunities offered by the college. He emphasized the importance of discipline, regular attendance, ethical conduct, continuous learning, and active participation in curricular and co-curricular activities for holistic personality development.

Students were introduced to the rich legacy of Guru Nanak Khalsa College, its autonomous status, academic achievements, infrastructure, library, counselling centre, sports facilities, and other student support services. The orientation also explained the academic framework under NEP 2020, including the credit-based curriculum, major and minor courses, vocational skill courses, skill enhancement courses, value education courses, open electives, Indian Knowledge System (IKS), and co-curricular credit requirements. Course-specific syllabi for BAF, BBI, BFM and B.Com (Unaided) were explained during the respective sessions.

Students were briefed about the evaluation pattern, Continuous Internal Assessment (CIA), Semester End Examinations (SEE), grading system, supplementary examinations, attendance requirements, assignment submission, and examination regulations. The importance of maintaining 75% attendance, carrying the college identity card, and adhering to the college code of conduct was also highlighted.

The faculty members of the Department were introduced to the students. They were informed about departmental initiatives such as industrial visits, field projects, certificate courses, guest lectures, FINX training, Design Thinking, GST, Intellectual Property Rights (IPR), Technical Analysis and other value-added programmes. Students were also encouraged to participate in NSS, NCC, DLLE, Rotaract Club, Leo Club, departmental festival Manthan, cultural events and sports activities. The enthusiastic involvement of senior students in planning and executing the orientation programme reflected the department's culture of teamwork and mentorship.

The programme concluded with an interactive question-and-answer session where students clarified their academic and administrative queries. The orientation successfully familiarized the students with the college environment, academic expectations and opportunities available for their holistic development.
