Theme of Conference

This conference aims to create a dynamic platform where faculty from Arts, Science, and Commerce collaborate to explore innovative, sustainable, and inclusive solutions to global challenges. By bridging the gap between the humanities, scientific research, and economic strategies, we can foster holistic thinking that leads to impactful action.

A. Science & Technology

- Basic sciences for sustainable development (Physics, Chemistry, Biology)
- Innovations in clean energy and water purification
- Low-cost scientific tools for education and healthcare
- Climate change studies and environmental monitoring
- Digital and AI technologies for solving societal problems

B. Humanities & Social Sciences

- Literature, arts, and culture in promoting social awareness
- Media, communication, and responsible information sharing
- Preserving heritage in the era of globalization
- Gender studies and inclusivity in education and employment
- Philosophy and ethics in science, technology, and governance

C. Commerce & Economics

- Entrepreneurship and start-up culture for economic growth
- Financial literacy and inclusive banking models
- Global trade, e-commerce, and sustainable business practices
- Corporate social responsibility and ethical business models
- Economic resilience in times of crisis

Shiromani Gurudwara Prabandhak Committee's
Guru Nanak Khalsa College of Arts,
Science & Commerce (Autonomous)
 Matunga, Mumbai-19

Guru Nanak Khalsa College of Arts, Science and Commerce (Autonomous), Matunga, Mumbai, established in 1937 through the vision of Dr. B. R. Ambedkar and instituted by the Shiromani Gurdwara Parbandhak Committee (SGPC), is a premier institution with a distinguished academic and cultural legacy. Permanently affiliated to the University of Mumbai and recognised by the UGC since 1974, the college is accredited by NAAC with an 'A' Grade (CGPA 3.54) and received the Best College Award from the University of Mumbai (2011–2012).

Renowned for excellence in research across science, humanities, and commerce, the college is recognised under DST-FIST, DBT-STAR, and UGC-CPE schemes. It offers 34 academic programmes from undergraduate to doctoral levels, guided by 35 recognised research supervisors.

The Guru Nanak Institute for Research and Development (GNIRD) promotes pioneering work in pure, applied, and interdisciplinary sciences, while the DST-supported National Facility for Biopharmaceuticals serves as a key center for training and innovation.

Rooted in its Sikh heritage, the college upholds Guru Nanak's ideals of equality, service, and universal brotherhood through its academic, cultural, and community initiatives—nurturing a spirit where scholarship and social responsibility go hand in hand.
