

Parents-Teacher Meeting Report

Room No: F5

Class: SYBCOM and TYBCOM (Commerce)

Date: 27 August 2026

Venue: F5 Classroom

The Parents-Teachers Meeting was conducted on 27 August 2026 for SYBCOM and TYBCOM students in the Room No. F5. The meeting was arranged to discuss the issue of students not attending lectures regularly and to strengthen communication between parents and teachers.

During the meeting, parents were informed about the importance of regular attendance, discipline, and consistent academic performance. The teacher highlighted the names and concerns of students who have been irregular in attending lectures. Parents were advised to monitor attendance closely and encourage punctuality and regular study habits.

After the general discussion, individual interaction was held with each parent. In these one-to-one meetings, the attendance record, classroom behaviour, and academic progress of each student were discussed in detail. Specific feedback was shared with the parents, and they were requested to cooperate with the college in improving the regularity and overall performance of their wards.

The meeting was conducted in a cordial and constructive atmosphere. Parents appreciated the personal attention given to their children and assured full cooperation in ensuring regular attendance and better academic discipline.

The Parents-Teachers Meeting was successful in addressing the issue of irregular lecture attendance and in strengthening the relationship between parents and teachers through individual interaction.

Prof. Priyanka Raorane
