

## **Report on Industrial Visit to Clearing Corporation of India Limited (CCIL)**

**Date: 29 August 2026**

Title: Educational Visit to Clearing Corporation of India Limited (CCIL)

Venue: CCIL Bhavan, Dadar, Mumbai

Participants: Students of TYBBI and SYBBI

Organised by: Department of Commerce – Self-Finance

The Department of Commerce – Self-Finance, Guru Nanak Khalsa College of Arts, Science & Commerce, organised an educational visit to the Clearing Corporation of India Limited (CCIL) on 29 August 2026 for the students of SYBBI and TYBBI. The visit was organised to provide students with practical exposure to the functioning of financial market infrastructure and to help them understand concepts covered in their academic curriculum.

During the visit to CCIL Bhavan, Dadar, the students interacted with the Research Team of CCIL and gained valuable insights into the role and functioning of CCIL in India's financial markets. The interaction helped students understand the importance of clearing and settlement systems and the role played by financial market institutions in maintaining efficiency, transparency and stability in the financial system.

The session provided students with an opportunity to connect their theoretical knowledge with real-world financial market practices. The interaction with industry professionals also enhanced their understanding of the functioning of financial institutions and the importance of risk management and settlement mechanisms in financial markets.

To ensure that students who could not physically attend the visit were also able to benefit from the programme, CCIL additionally arranged a Webex virtual tour/session for the remaining batch of students. This initiative enabled wider student participation and provided them with a similar learning opportunity.

The visit was highly informative and enriching for the students. It encouraged them to understand the practical applications of concepts related to financial markets, clearing and settlement, market infrastructure and financial risk management.

**Learning Outcomes:**

The students were able to:

- \* Understand the role of CCIL in the Indian financial market.
- \* Gain practical exposure to financial market infrastructure.
- \* Understand the importance of clearing and settlement mechanisms.
- \* Relate classroom concepts with real-world financial-sector operations.
- \* Interact with professionals and gain industry-oriented knowledge.
- \* Develop a better understanding of the functioning of financial institutions.

**Conclusion**

The educational visit to CCIL was a valuable academic and industry-interaction initiative. It provided the SYBBI and TYBBI students with meaningful practical exposure and enhanced their understanding of the financial market ecosystem. The Department of Commerce – Self-Finance expresses its sincere gratitude to the Research Team of CCIL for their valuable time, guidance, cooperation and for providing the students with such an enriching learning experience.

To,

Research team

CCIL

Dear Sir / Madam,

We would like to express our sincere gratitude to the Clearing Corporation of India Limited (CCIL) for graciously hosting our students for an educational visit to CCIL Bhavan, Dadar, on Saturday, 29 August 2026.

We truly appreciate your kind support in organizing the visit and providing our students with an opportunity to gain practical exposure to the functioning of the financial market infrastructure. The interaction with your team will be a valuable learning experience for our students and will help them connect their academic knowledge with real-world practices in the financial sector.

We also sincerely appreciate your efforts in arranging a Webex virtual tour for the remaining batch of students, ensuring that all our students could benefit from this learning opportunity.

Thank you once again for your valuable time, cooperation, and support. We are grateful for this enriching experience and look forward to continued opportunities for academic and industry interaction with CCIL.

With sincere appreciation,

**Dr. Charanjit Kaur Banga**  
Dean
